n

na 1
na the dental nasal (found at the beginning of words and before or after dental consonants as well as between vowels
• subject to conversion into ? Pāṇ. 8-4, 1-39). = 1
nakāra
○*kāra* m. the sound or letter *n* Gr
• (in prosody) a tribrach
• *-vipulā* f. a kind of metre
na 2
ná ind. not, no, nor, neither RV. (*nā*, x, 34, 8) &c. &c. (as well in simple negation as in wishing, requesting and commanding, except in prohibition before an Impv. or an augmentless aor. [a. *mā*]
• in successive sentences or clauses either simply repeated, e.g. Mn.iv, 34
• or strengthened by another particle, esp. at the second place or further on in the sentence, e.g. by *u* [cf. *nô*], *utá*, *api*, *câpi*, *vā*, *vâpi* or *atha vā* RV. i, 170, 1 ; 151, 9 Nal. iii, 24, &c
• it may even be replaced by *ca*, *vā*, *api ca*, *api vā*, &c. alone, as Mn.ī, 98 Nal.i, 14, &c
• often joined with other particles, beside those mentioned above esp. with a following *tu*, *tv eva*, *tv eva tu*, *cêd*, q.v., *khalu*, q.v., *ha* [g. *câdi* and Pāṇ. 8-1, 31] &c
• before round or collective numbers and after any numeral in the instr. or abl. it expresses deficiency, e.g. *ekayā na viṃśati*, not 20 by 1, i.e. 19 ŚBr.
• *pañcabhir na catvāri śatāni*, 395 ib.
• with another *na* or an *a* priv. it generally forms a strong affirmation [cf. Vām. v, 1, 9], e.g. *nêyaṃ na vakṣyati*, she will most certainly declare Śak. iii, 9
• *nâdaṇḍyo'sti*, he must certainly be punished Mn. viii, 335
• it may also, like *a*, form compounds Vām. v, 2, 13 [below].)
• that not, lest, for fear lest (with Pot.) MBh. R. Daś. &c
• like, as, as it were (only in Veda and later artificial language, e.g. *gauro na tṛṣitaḥ piba*, drink like [lit. 'not', i.e. 'although not being'] a thirsty deer
• in this sense it does not coalesce metrically with a following vowel). [Cf. Gk. ? ; Lat. [523, 1] [nˇe-] ; Angl. Sax. *ne*, 'not' ; Eng. *no*, &c.] -2

- a lawsuit, legal proceeding, judicial sentence, judgment Mṛicch. Pañc.
- a logical or syllogistic argument or inference (consisting of a combination of enthymeme and syllogism, and so having, according to the Naiyāyikas 5 members, viz. *pratijñā*, *hetu*, *udāharaṇa*, *upanaya*, *nigamana*, or according to the Vedāntins 3 members)
- a system of philosophy delivered by Gotama or Gautama (it is one of the six *darśanas*, q.v., and is perhaps so called, because it 'goes into' all subjects physical and metaphysical according to the above syllogistic method treated of in one division of the system
- its branch is called Vaiśeshika)
- likeness, analogy, a popular maxim or apposite illustration (cf. *kākâkṣi-*, *ghuṇâkṣara-*, *daṇḍâpūpa*. &c.)
- (*am*), ind. after a finite verb expresses either censure or repetition Pāṇ. 8-1, 27
